

# 5FT MULTI-FOLD WHEELCHAIR RAMP

## Compact, Portable Access – Built for Everyday Convenience

The Ramptec 5 Foot Multi-Fold Wheelchair Ramp is designed to bridge the gap between portability and performance. Offering extra length for smoother incline angles, it's ideal for moderate steps and raised entry points.

A step up from standard threshold ramps, this model provides greater flexibility while remaining easy to transport and store.

### Built for Safety & Ease

Whether at home or on the go, this ramp ensures a safe, gradual incline for wheelchairs, scooters, and equipment.

### Key Features

- Durable, lightweight aluminium construction
- Multi-fold system for compact storage
- Splits into two sections for flexible use
- High-grip anti-slip surface
- Integrated carry handle
- Weather-resistant for indoor and outdoor use

### Specifications

**Size:** 150cm x 73cm

**Weight Capacity:** 15.6KG

**Load Capacity:** 272kg

**SKU:** RTMFG1941
